We're always thinking about parents' special needs

Mirrabooka Square's two Parents Rooms are always a welcome sight to mum's and dads.

Each room includes a child-size toilet, nappy-changing facility, bottle warming microwave, curtained-off feeding area and automatic entry doors. We've thought of everything and this has earned Mirrabooka Square a five star baby care rating from the Australian Breastfeeding Association.

Think about safe and easy parking bays

Seniors and Disabled parking bays are located outside each entrance to the Centre.

Special parking bays reserved for parents with children in prams are located near the Woolworths, Coles, Kmart and Big W entrances.

For those busy shoppers here for a quick visit. Fifteen minute parking is available in the specially marked bays located outside Entry 3.
